

§ 303.301

be used to determine the existence of a condition that has a high probability of resulting in developmental delay under § 303.16(a)(2).

(c) If the State elects to include in its system children who are at risk under § 303.16(b), the State shall describe the criteria and procedures, including the use of informed clinical opinion, that will be used to identify those children.

(Approved by the Office of Management and Budget under control number 1820-0550)

(Authority: 20 U.S.C. 1432(5), 1435(a)(1))

NOTE: Under this section and § 303.322(c)(2), States are required to ensure that informed clinical opinion is used in determining a child's eligibility under this part. Informed clinical opinion is especially important if there are no standardized measures, or if the standardized procedures are not appropriate for a given age or developmental area. If a given standardized procedure is considered to be appropriate, a State's criteria could include percentiles or percentages of levels of functioning on standardized measures.

§ 303.301 Central directory.

(a) Each system must include a central directory of information about—

(1) Public and private early intervention services, resources, and experts available in the State;

(2) Research and demonstration projects being conducted in the State; and

(3) Professional and other groups that provide assistance to children eligible under this part and their families.

(b) The information required in paragraph (a) of this section must be in sufficient detail to—

(1) Ensure that the general public will be able to determine the nature and scope of the services and assistance available from each of the sources listed in the directory; and

(2) Enable the parent of a child eligible under this part to contact, by telephone or letter, any of the sources listed in the directory.

(c) The central directory must be—

(1) Updated at least annually; and

(2) Accessible to the general public.

(d) To meet the requirements in paragraph (c)(2) of this section, the lead agency shall arrange for copies of the directory to be available—

(1) In each geographic region of the State, including rural areas; and

34 CFR Ch. III (7–1–10 Edition)

(2) In places and a manner that ensure accessibility by persons with disabilities.

(Approved by the Office of Management and Budget under control number 1820-0550)

(Authority: 20 U.S.C. 1435(a)(7))

NOTE: Examples of appropriate groups that provide assistance to eligible children and their families include parent support groups and advocate associations.

IDENTIFICATION AND EVALUATION

§ 303.320 Public awareness program.

Each system must include a public awareness program that focuses on the early identification of children who are eligible to receive early intervention services under this part and includes the preparation and dissemination by the lead agency to all primary referral sources, especially hospitals and physicians, of materials for parents on the availability of early intervention services. The public awareness program must provide for informing the public about—

(a) The State's early intervention program;

(b) The child find system, including—
(1) The purpose and scope of the system;

(2) How to make referrals; and

(3) How to gain access to a comprehensive, multidisciplinary evaluation and other early intervention services; and

(c) The central directory.

(Approved by the Office of Management and Budget under control number 1820-0550)

(Authority: 20 U.S.C. 1435(a)(6))

NOTE 1: An effective public awareness program is one that does the following:

1. Provides a continuous, ongoing effort that is in effect throughout the State, including rural areas;

2. Provides for the involvement of, and communication with, major organizations throughout the State that have a direct interest in this part, including public agencies at the State and local level, private providers, professional associations, parent groups, advocate associations, and other organizations;

3. Has coverage broad enough to reach the general public, including those who have disabilities; and

4. Includes a variety of methods for informing the public about the provisions of this part.
